The Heart Never Lies

Why Following Your Heart Through Life Makes Perfect Sense

When in doubt, listen to your heart. That is the motto Louise uses to guide her through the decisions that have a major impact on her life and her work. From the halls of a Catholic convent in her teens to the entrepreneurial adventure of founding a school of forgiveness in her 60s, Louise will share her story of following heart-wisdom and soul whispers to success and happiness in both her personal and professional life. She will show us how listening to our intuitive guidance can be the most important thing we do in claiming a life of deep purpose and meaning, the spiritual components of success. Louise will demonstrate a three-step process for connecting quickly to our own heart path.

About the Speaker: Louise Dunn has embraced a wide range of professional and volunteer paths in her 65+ years of life. As a retail manager, minister, pastor, coaching entrepreneur, author, spiritual visionary and social innovator, it is the paradigm of *teacher* that Louise says has really infused her work with the greatest joy. In 1992 she founded a non-traditional church in Indianapolis and was its pastor for nine years, during which time the church worked heavily with people infected with HIV and AIDS. For more than thirty years she has presented classes and retreats based on A Course In Miracles and on the innate goodness of the human soul. She is the co-author of *The Hollowed Heart, Inspiration for Women Awakening from Grief and Loss*, founder of Heartland Miracles, LLC, a school of transformative spirituality, and author of *The Way of Forgiveness*, the school's certification program.
